KTKA's Main Street Live Tour Comes to St. Marys

TOPEKA, KANSAS July 15, 2009. The News 49 KTKA team continues its 2009 Main Street Live Tour with a stop in St. Mary's on Wednesday, July 22 at 5:30 p.m.

Main Street Live brings the 49News team to northeast Kansas communities and features exclusive coverage of the people, places and things that make an area unique and gives people attending the event a chance to see a live KTKA newscast.

"Taking the Main Street Live Tour to St. Marys is a great choice and we can't wait to get there," said Denise Eck, news director for KTKA. "The city has so much history and when you consider the success of their high school sports programs, especially the girls teams, you can see why we're excited to give viewers a look at such a special place."

The event is free and open to the public. The first 150 guests will receive free brats and beverages courtesy of Johnsonville Brats. The live broadcast will take place at the Riverside Park.

The Main Street Live Tour began in June with stops in Manhattan, Emporia, Lecompton, Osage City, Rossville-Silver Lake and Wamego. The final stop on the tour is Holton.

KTKA serves the northeast Kansas area including Topeka, Manhattan and Junction City. To follow the tour and see photos and more, visit KTKA.com/mainstreetlive.
